BACKGROUND

The Cotswolds Conservation Board was established in 2004 under the Countryside and Rights of Way Act 2000. The Board's Establishment Order (SI 1777/2004) was agreed by Parliament in July 2004. The Board's statutory purposes are to conserve and enhance the natural beauty of the Cotswolds Area of Outstanding Natural Beauty (AONB), and to increase the understanding and enjoyment by the public of the special qualities of the AONB. In fulfilling these purposes, the Board seeks to foster the economic and social well-being of people living in the AONB.

In September 2018 the Board adopted a Management Plan for 2018-23, which articulates its vision, its objectives and its policies for the management of the AONB.

The Board's Business Plan sets out a wide-ranging programme of activity associated with the delivery of its purposes. The Board operates to a budget based on the agreed grant aid from the Department for Environment, Food and Rural Affairs, Natural England and local authorities. Additionally, the Board either takes the lead role or actively participates in a range of partnership schemes to secure external funding for additional project work.

FINANCIAL REVIEW

Accounting Framework

Under the Local Audit and Accountability Act 2014, the Board is classed as a smaller relevant body for financial reporting purposes. As such it is required to comply with the mandatory guidance for Conservation Boards issued in March 2020 by the Joint Panel on Accountability and Governance.

This Statement of Accounts summarises the Board's activities for the period from 1 April 2021 to 31 March 2022. It has been prepared in accordance with proper accounting policies and practices, and on an accruals basis.

Income and Expenditure Account

The Board has adopted the National Park Authority model for its Income and Expenditure Account to enable comparability with similar organisations.

The Account shows the costs of providing services across the various activities and projects that the Board has supported during the year, and how these projects were financed from grants and income. Gross revenue expenditure for the year was £2,085,120 (2020/21 £940,827) and gross income was £2,021,827 (2020/21 £911,705). Taken together, these items show a net deficit for the year of £64,293 (2020/21 deficit £29,122).

Balance Sheet

The Balance Sheet details the Board's financial position as at 31 March 2022, listing the value of its assets and liabilities. The Board's practices on financial reserves comply with the formal guidance issued in July 2014 (CIPFA LAAP Bulletin 99). The Finance Officer considers that the level of reserves, taken with their future targets, are at an acceptable level.

ANNUAL REVIEW

The Board publishes an Annual Review by the end of July each year describing its activities in the previous year, and setting out its performance against the Business Plan. This publication is available on-line at www.cotswoldsaonb.org.uk.

7. Related Party Transactions

Concept

The principal issue in determining whether a person or an organisation is a related party is the degree of control exerted by one party over the other. This can arise during a financial period where:

- one party has direct or indirect control of the other party;
- one party has influence over the financial and operational policies of the other party; or
- the parties are subject to common control or influence from the same source.

The Government

The Government has influence over the general operations of the Board. It is responsible for providing the statutory framework within which the Board operates. The Secretary of State appoints fourteen members of the Board under arrangements set out in the Board's Establishment Order. The Government provides a large proportion of the Board's funding in the form of grants channelled through the Department for Environment, Food and Rural Affairs (DEFRA) and Natural England. Other government departments and agencies such as the Rural Payments Agency also fund the Board's activities.

Local Authorities

The fifteen local authorities covered by the Cotswolds area each appoint a Board member under the terms of the Board's Establishment Order.

Parish Councils

Parish Councils, Town Councils and Parish Meetings appoint eight members of the Board in accordance with the arrangements set out in the Establishment Order.

Friends of the Cotswolds

The Friends of the Cotswolds act as the Board's landlord and until 2019/20 shared an Agency Operational Agreement with the Board for the management of the Cotswolds Discovery Centre at the Old Prison, when four Board Members sat on the Partnership Board for the site.

Members and Officers

The Board approved Codes of Conduct for members and officers as part of its Constitution. The Codes include requirements to disclose and record interests where they may have, or appear to have, an influence on the decisions of the Board and are circulated to members and officers. The Board's procedural rules impose quorums on meetings to ensure decisions are not taken in isolation and require members to disclose interests at each meeting before the matter in which they have an interest is discussed. Under recent legislation, the Board is able to hold formal meetings remotely. A public register of these interests is maintained by the Board's Monitoring Officer. In addition to the above, Board members and officers sign and return related party transaction declaration forms each year. There were no related party transactions that required disclosure during the year.

8. Employee Remuneration

The table below shows contracted employee numbers and their respective total remuneration received during the year in bandings of £5,000 at the financial year end. Total remuneration includes gross salary, employer Superannuation and National Insurance contributions.

Band (£)	2020/21 (Number of employees)	2021/22 (Number of employees)

At the 31st March 2022 there were 18.7 whole time equivalent employees (31st March 2021: 12.6).

The figures shown above are based on bandings of total actual remuneration received during the year.

9. Retirement Benefits and Pensions

The Board is a member of the Gloucestershire County Council Pension Fund, which is a defined benefit scheme administered in accordance with the Local Government Pension Scheme Regulations. Under the Regulations, the fund is subject to an independent triennial actuarial valuation to advise on each employer's contribution rate. The last valuation was carried out in 2019, when the actuary valued the Board's share of the total fund at £2,986,000 with a surplus against expected liabilities of £676,000.
