15-Dec-17

**DESCRIPTION:**  
Eckington Field Farm - New Planting

## RESPONSE:

This proposal lies within the Settled Unwooded Vale Landscape Character type. This landscape type has little woodland and consequently, to conserve the landscape character, our guidelines state that 'woodland creation is not appropriate in this landscape type to retain the un-wooded character. The exception is tree planting in association with new development'.

Consequently the Board cannot support this proposal.
