

Dear Sir

The Cotswolds Conservation Board has no adverse comments to make on the Wychavon District Statement of Community Involvement.

However, The Board would wish to be included in the list of consultees included in Appendix 3.

The Cotswolds Conservation Board ('the Board') was established by Parliament in 2004.

The Board has two statutory purposes<sup>[1]</sup>:

- a) to conserve and enhance the natural beauty of the AONB; and
- b) To increase the understanding and enjoyment of the special qualities of the AONB.

In fulfilling these roles, the Board has a duty to seek to foster the economic and social well-being of people living in the AONB.
