## Internal Audit (Appendix B)

- 1. Under the Accounts and Audit Regulations 2015, the Board is required to carry out an internal audit of its functions in accordance with the mandatory sections of guidance published by the Joint Panel on Accountability and Governance (JPAG) in March 2023.
- 2. For 2023/24, the work was carried out by Janet Eustace of GAPTC, who is independent of the organisation and the completed work programme and report for 2023/24 is attached at Appendix B (ii).
- 3. The audit feeds into and supports the annual governance review which is presented for approval at this meeting (Appendix C).
- 4. In addition, the Board's external audit (under the Limited Assurance Regime) requires that the internal audit opinions for the year should be summarised in a specified format within the Board's Annual Governance and Accountability Return (AGAR). This part of the AGAR has been completed and is attached as Appendix B (i)
- 5. Officers have considered the Internal Audit Report.
- 6. There were no issues raised and improvements have been made in line with all previous audit recommendations.

# Governance Framework Review 2023/24 (Appendix C)

- 1. The Board is required to carry out an annual review of the effectiveness of its systems of internal control which facilitates the effective exercise of the Board's functions and includes arrangements for the management of risk.
- 2. In June 2012, the Board adopted a revised Code of Corporate Governance and Framework, with further amendments in 2014. The Framework is used as the basis for this review.

- 3. As in previous years, officers carried out the review using their knowledge and experience, and information from documents and processes, audits and risk reports, together with observations from members, officers and partners.
- 4. The external auditor's report and opinion for 2022/23 were reported to the Finance and Governance Committee who have also reviewed the 2023/24 Annual Internal Audit Report and opinions as part of the agenda for the current meeting.
- 5. The results of this process are set out in Appendix C, which indicates that the Board has sound systems of internal control. Appropriate issues arising from the review have been identified and disclosed, and actions proposed as appropriate.

# Annual Governance and Accountability Return (AGAR) and bank reconciliation (Appendix D)

- 1. The Accounts and Audit Regulations 2015 require the Board to prepare its annual accounts in accordance with proper practice. From 2018/19, Conservation Boards have been specifically covered by the formal guidance issued annually by the Joint Panel on Accountability and Governance "Governance and Accountability for Local Councils A Practitioners Guide". The guide sets out proper practice for the preparation of the Board's Statement of Accounts and its Annual Governance and Accountability Return (AGAR). The Board it is required by law to:

  - publish the unaudited AGAR on its website by 1 July 2024; and
  - publish the audited AGAR by 29 September 2024.

## Section 1 of AGAR 2023/24

2. The formal Annual Governance Statement forms Section 1 of the AGAR and contains a series of statements which the Board is asked to approve. Board Officers believe that the answer to all of the points should be in the affirmative.

# Section 2 of AGAR 2023/24

3. Whilst the Board chooses to prepare and publish a Statement of Accounts for its own purposes it is also required to prepare Accounting Statements for the year in the form required by proper practice (Section 2 of the AGAR).

  accounts in accordance with proper practice. From 2018/19, Conservation Boards
  have been specifically covered by the formal guidance issued annually by the Joint
  Panel on Accountability and Governance "Governance and Accountability for Local
  Councils A Practitioners Guide". The guide sets out proper practice for the
  preparation of the Board's Statement of Accounts.
- 2. The Board's draft Statement of Accounts for the period from 1 April 2023 to 31 March 2024 are attached at Appendix E. These have been prepared in accordance with the National Park model, so as to facilitate comparability between organisations.

# COTSWOLD CONSERVATION BOARD COTSWOLD NATIONAL LANDSCAPE

Internal auditor's report for the year ended 31 March 2024
Name of Auditor: Janet Eustace

GAPTC internal audits comply with the proper practices outlined in the Governance & Accountability for Smaller Authorities – A Practitioners' Guide and the Accounts and Audit Regulations 2015.

The GAPTC internal audit reviews and reports on whether the systems of financial and other internal controls over its activities and operating procedures are effective. The audit tests a variety of documents, including agendas and minutes, policies, insurance and risk management processes, to ensure Council meets the requirements set out in the Annual Internal Audit Report in the Annual Governance & Accountability Return. The internal audit does not involve the detailed inspection of all records and transactions of an authority in order to detect error or fraud.

Our auditors are independent of the Council and are competent to be able to carry out the requirements of the internal audit service.

NOTE The auditor will complete the Annual Internal Audit Report (AIAR) page on the Annual Governance & Accountability Return (AGAR). The AIAR informs the Annual Governance Statement (AGS) assertions on the AGAR, so when the Board reviews the AGS, the responses must reflect the AIAR report.

#### **BACKGROUND**

The Cotswolds Conservation Board was established in 2004 under the Countryside and Rights of Way Act 2000. The Board's Establishment Order (SI 1777/2004) was agreed by Parliament in July 2004. The Board's statutory purposes are to conserve and enhance the natural beauty of the Cotswolds Area of Outstanding Natural Beauty (AONB), and to increase the understanding and enjoyment by the public of the special qualities of the AONB. In fulfilling these purposes, the Board seeks to foster the economic and social well-being of people living in the AONB.

In February 2023 the Board adopted a Management Plan for 2023-25, which articulates its vision, its objectives and its policies for the management of the AONB. In February 2024 the Board unanimously approved the production schedule for the Management Plan for 2025-30.

The Board's Business Plan sets out a wide-ranging programme of activity associated with the delivery of its purposes. The Board operates to a budget based on the agreed grant aid from the Department for Environment, Food and Rural Affairs, Natural England and local authorities. Additionally, the Board either takes the lead role or actively participates in a range of partnership schemes to secure external funding for additional project work.

#### FINANCIAL REVIEW

## **Accounting Framework**

Under the Local Audit and Accountability Act 2014, the Board is classed as a smaller relevant body for financial reporting purposes. As such it is required to comply with the mandatory guidance for Conservation Boards issued in March 2023 by the Joint Panel on Accountability and Governance.

This Statement of Accounts summarises the Board's activities for the period from 1 April 2023 to 31 March 2024. It has been prepared in accordance with proper accounting policies and practices, and on an accruals basis.

## Income and Expenditure Account

The Board has adopted the National Park Authority model for its Income and Expenditure Account to enable comparability with similar organisations.

The Account shows the costs of providing services across the various activities and projects that the Board has supported during the year, and how these projects were financed from grants and income. Gross revenue expenditure for the year was £3,089,009 (2022/23 £2,485,984) and gross income was £3,673,043 (2022/23 £2,504,627). Taken together, these items show a net surplus for the year of £584,034 (2022/23 surplus £18,642). The large net surplus is primarily due to National Highways Biodiversity project where £405k is in restricted reserve for landowners' payments over the next 30 years.

#### **Balance Sheet**

The Balance Sheet details the Board's financial position as at 31 March 2024, listing the value of its assets and liabilities. The Board's practices on financial reserves comply with the formal guidance issued in July 2014 (CIPFA LAAP Bulletin 99). The Finance Officer considers that the level of reserves, taken with their future targets, are at an acceptable level. An updated Reserves Policy was adopted by the Board in February 2024.

#### **ANNUAL REVIEW**

The Board publishes an Annual Review by the end of July each year describing its activities in the previous year, and setting out its performance against the Business Plan. This publication is available on-line at <a href="https://www.cotswolds-nl.org.uk">www.cotswolds-nl.org.uk</a>.

## 7. Related Party Transactions

#### Concept

The principal issue in determining whether a person or an organisation is a related party is the degree of control exerted by one party over the other. This can arise during a financial period where:

one party has direct or indirect control of the other party;

- one party has influence over the financial and operational policies of the other party; or
- the parties are subject to common control or influence from the same source.

#### The Government

The Government has influence over the general operations of the Board. It is responsible for providing the statutory framework within which the Board operates. The Secretary of State appoints fourteen members of the Board under arrangements set out in the Board's Establishment Order. The Government provides a large proportion of the Board's funding in the form of grants channelled through the Department for Environment, Food and Rural Affairs (DEFRA) and Natural England. Other government departments and agencies such as the Rural Payments Agency also fund the Board's activities.

#### Local Authorities

The fifteen local authorities covered by the Cotswolds area each appoint a Board member under the terms of the Board's Establishment Order.

#### Parish Councils

Parish Councils, Town Councils and Parish Meetings appoint eight members of the Board in accordance with the arrangements set out in the Establishment Order.

#### Friends of the Cotswolds

The Friends of the Cotswolds acted as the Board's landlord until July 2023. From April 2023, the registered office address changed to the Cotswold Business Centre 2 A P Ellis Road, Upper Rissington, GL54 2QB.

An occupancy license was issued by Gloucestershire Wildlife Trust (GWT) from May 2023 for the sharing of office premises at Greystones Farm in Bourton-on-the-Water and at Robinswood Hill Country Park, Gloucester. A Grant of £28,738 was provided to GWT for a Removing Barriers in the Cotswolds Project.

#### Members and Officers

The Board approved Codes of Conduct for members and officers as part of its Constitution. The Codes include requirements to disclose and record interests where they may have, or appear to have, an influence on the decisions of the Board and are circulated to members and officers. The Board's procedural rules impose quorums on meetings to ensure decisions are not taken in isolation and require members to disclose interests at each meeting before the matter in which they have an interest is discussed. A public register of these interests is maintained by the Board's Monitoring Officer. In addition to the above, Board members and officers sign and return related party transaction declaration forms each year. During the year the Board made the following related party transactions:

- Gloucestershire Raptor Monitoring Group (Anna Field, employee is a Trustee) grant paid £0 (2023 £275)
- Gloucestershire Wildlife Trust (Michèle Holden is a part-time employee of both organisations rent of Premises paid £15,400 (2023 £0) grant paid £28,738 (2023 £15,727)
- Wreal Sports (Andy Parsons, employee had a family member working as a Trainee at the Company uniforms & workwear embroidery provided for the Board £2,149 (2023, £0).
