

ANNUAL REVIEW

Summary: To inform the Board of the proposed items to be included in our 2022/23 annual review of the Cotswolds National Landscape.

Recommendation: That the Board approves the contents of the annual review.

Report by: Alana Hopkins – Communications Lead

INTRODUCTION

- The annual review summarises the highlights and achievements of the Board's work from the previous year.

PROPOSED ITEMS TO BE INCLUDED IN THE ANNUAL REVIEW FOR 2022/23

1. Chair's introduction
2. New Management Plan 2023-25
3. Celebrating the Wardens - new roles and annual statistics
4. Farming in Protected Landscapes - outcomes and expectations for the next 2 years
5. Everyone's Evenlode - summary of statistics for the year and a look ahead
6. Glorious Cotswold Grasslands - summary of statistics for the year and what's next
7. Young People and Outreach - summary of outputs and impacts
8. Removing Barriers Funding (access)
9. Bathscape (access) - 18 new routes completed
10. Celebrating our team - new team and Board Members and significant achievements
11. Financial summary

The Communications Lead has drafted the majority of the content, to ensure timely publication of the review.

NEXT STEPS

- Subject to any changes discussed and decided by the Board, we will (1) finalise drafting the detailed content, (2) design the publication, (3) publish on the website and (4) share with key stakeholders.
- Board Members have a key role to play in spreading the word!

SUPPORTING PAPERS

- None
